A Very Hearty Welcome to

BHAI JOGINDER SINGH RIAR

Who is currently visiting USA.

Bhai Joginder Singh Riar Ji (Ludhianawale) is well known to most Sikhs globally. He has been performing Keertan from a very young age and is self-taught.

Joginderji is from Gurdaspur district in Punjab and is an exceptional vocalist and a very able harmonium player. Bhai Sahib has been performing for over a decade, and along with his Jatha, has enlightened many in India and other parts of the world.

He and his Jatha play a mix of both classical raga and modern raga based tunes which are mellow and very conducive to Gurbani Keertan.
